Winning the Welsh for Christ

September 2010,

"I had just happened to be able to change my schedule around at work so that I would be able to be there that morning." The words written in a letter to us from a young mother who just "happened" to come to the morning services at Independent Baptist Church in Grove, Oklahoma and during the invitation accepted Christ as her Savior. That was no happenstance; that was a divine appointment! Praise God!

Along with this mother's wonderful testimony, we are so pleased to report that several other souls had divine appointments with God this past month as well. While at Collinsville Baptist Tabernacle in Collinsville, Oklahoma a teenage girl named Mattie (pictured) responded during the invitation and was saved. On a Sunday morning at Bible Baptist Church in Pflugerville, Texas, two young adults, Christina and Austin (pictured) came forward at the invitation to be saved. While at Tabernacle Baptist Church in San Antonio, Texas, 10 teenagers (pictured) came forward during the invitation for either salvation or for the assurance of salvation. To top things off, Richie had the chance to go out on visitation with our sending church on several occasions and two more people accepted Christ. Praise Him!

After two years we have traveled from Delaware to California and everywhere in between. We are so blessed to share that during the course of our travels we have witnessed at least 115 precious souls accept Christ and 28 saints surrender to serve our Savior! What a ministry deputation has been! Thank you for your eternal investment.

There were a few other exciting events that took place this past month as well. Briton celebrated his 4<sup>th</sup> birthday! We bought our plane tickets for Wales. Our official departure date is Thursday, January 27<sup>th</sup>! And last but not least, after two months, our RV is finally back on the road.

**Prayer Needs:** Looking ahead to our departure, we need to raise at least \$2500.00 to ship our personal items over in boxes as well as \$15,000.00 to completely set up a home when we get there. Please pray that we would be able to raise these necessary funds. Please continue to pray that 100% of our monthly financial support would be coming in by January and that we would continue to have an impact on eternity as we travel.

Serving Our Savior Together,

Richie, Missy, Briton and Isabella Orrick
